IMPROVING SPEED FIGURES

PRECOCIOUS DEBUT WINNER

- ▶ ROSIE JEEKS comes into the sale off of a **dominant stakes win** in the Goldwood Stakes at Monmouth. She was still 3-lengths off the leaders as the field entered the stretch but showed a **strong turn of foot** to find a seam and kick clear in the closing stages. Future connections could look to **step her up to Graded Stakes company moving forward**.
- ▶ She's found her best stride this year as a 4-year-old when cut back in distance sprinting 5.5-furlongs. While both her Thoro-Graph and Beyer figures have steadily improved, she **paired =14+ Ragozins** last time out which indicates that she **should be primed to take another step forward in her 3rd start off the layoff**.
- ▶ ROSIE JEEKS was a **well regarded 2-year-old** as indicated by her \$240,000 2-year-old in training sale price. She worked in **:10.0** and **galloped out exceptionally well** (:20.2, :32.2), ranking the **fastest gallop out of the 50 horses** that breezed an 1/8th in her set at OBS. She carried this precocity through to her debut where she **won impressively on the NYRA circuit by 3+ lengths without lasix first time out**.

THOROGRAPH
4-YEAR-OLD

➤ ROSIE JEEKS has now **paired her lifetime best =14+ Ragozin figures** in her last 2 starts. When analyzing patterns, she **can be expected to take another step forward** on speed figures, especially considering this would be her **3rd start off of the layoff**.

➤ She has also shown a slight **improvement on her Thoro-Graph sheet in her last two starts**. These Thoro-Graphs are **in line with her Ragozin numbers (approx 5 points faster)** further validating her figures.

➤ Her current Ragozin figures are right about **in line with other Stakes/Graded Stakes winning f/m turf sprinters** within the last year as indicated in the chart below.

LOOKING AHEAD

ROSIE JEEKS showed a **strong turn of foot** last time out in the Goldwood Stakes to pick up her first Black Type win. She's **improving across the board** on her speed figures and her **next start will be the 3rd off of the layoff** so we can expect her to take another step forward.

Based on spacing and timing from her last start on June 21st, taking a shot at the **G3 Caress at Saratoga** or the **Daisycutter Handicap at Del Mar** could be viable next option for ROSIE JEEKS, especially considering she would be **ELIGIBLE FOR THE 40% PURSE BONUS OFFERED FOR TURF STARTERS VIA DEL MAR'S "SHIP & WIN" INCENTIVES!**

"SHIP & WIN" = 40% PURSE BONUS!
