UNCLE MO'S STAR OF WONDER ASCENDS TO 'TDN RISING STARDOM' ON DEBUT AT CHURCHILL

- STAR OF WONDER earned **"TDN RISING STAR"** honors on debut when **breaking his maiden by 3+ lengths** at Churchill Downs. He was bumped at the start but made a big sweeping move around the turn to draw away late in the stretch.
- With **4 wins from 6 lifetime starts**, the **regally bred** STAR OF WONDER heads to the July sale off of a **3rd place finish in the historic G3 Pimlico Special** in which he **defeated G3W Encino, SW/G1P Just Steel, and G2W/G1P Red Route One**.
- He's proven to be a very **versatile horse**. He can **sit close to the pace** or **come from behind** and has wins around both 1- and 2-turns on the dirt. His ability to win going **7-furlongs** to **1-1/16th miles** opens up a number of potential spots for him down the road.

- The **8- Ragozin** that STAR OF WONDER earned this year in his Alw-N3X win going a mile is **better than several Graded Stakes winners over that same distance this year** as indicated above.
- His next start will be his **3rd start of the year** and one could expect for STAR OF WONDER to get back in-line with his top figures next time out.

➤ STAR OF WONDER ran a **super competitive 1² Thoro-Graph** figure to start his 4-year-old campaign around a 1-turn mile. This **1² Thoro-Graph** is just on the cusp of being GSW caliber for older males as indicated in the chart above.

LOOKING AHEAD

Future connections should look to run STAR OF WONDER back against **Stakes or Graded Stakes company later this year**. He also seems like a prime candidate to take overseas to run during the **Dubai and Saudi Racing Carnivals** this coming season. His **speed figures across the board on Beyer, Ragozin, and Thoro-Graph are competitive** against the best in his division.

He has a **blue-blooded pedigree** being by **UNCLE MO** and the **half-sister to MG1W and KY Oaks heroine SHEDARESTHEDEVIL** and should he pick up a Graded Stakes win at any point during his career, he could have the potential to take up a stall in a stallion barn down the line.
