RAGOZIN

THORO-GRAPH

CLIFF NOTES

- He still has his **N1X condition available**, though at this point, he is likely going to be **better suited for the \$50k N2L condition** that will make him **starter eligible**.
- His best race to date was also around one turn, so it's **possible he needs a cutback in trip** to be seen at his best at this point.
- See strong 7 Thoro-Graph figure!
