## CLIFF NOTES

- This horse seems to be going in the right direction in his last couple of starts, including a nice front-running maiden win at Aqueduct in MSW company where he earned a career best **83 Beyer**, **6 ¾ Thoro-Graph** and **13" Ragozin**.
- He has **NEVER REGRESSED on Thoro-Graph**, getting incrementally better with each start.
- He was **scratched as an MTO on 11/1 in a 1X at Aqueduct** and is ready to run for his new connections.
- Showed a new dimension in his latest start by **setting the pace** when he previously had never raced near the lead in the early going.
- Was given a brief freshening after his race at Colonial in the spring but clearly has returned to form based on his most recent speed figures.
