CLIFF NOTES

- He is a super consistent gelding who has been drawn in the parking lot in his last two starts.
- · Has run three straight 9 Thoro-Graph figures and has paired career best 12 Rags as well.
- · He still has his N2L and N1X condition available and his siblings have wins on all three surfaces, so he should have some surface versatility.
- After having some bad luck at the draw (drawing far outside in last 2 starts), this horse should be able to break through the 1X condition based on his speed figures with the right trip.
