- Has not run since finishing a well beaten 4th in the G2 San Felipe in March.
- Switched from Bob Baffert to Brittany Russell in Maryland, but has not worked since May 27th.
- He was running in top class company before his break, running **three times** against MG1W Journalism, as well as G1W Baeza.
- When ready to return to racing, he should be able to **break through the maiden condition**.
