- She has been ready to run for a month and has had **no luck in the entry box** as she has been entered several times in races at Gulfstream Park over the last few weeks. **She has worked 9 times.**
- Off since May as **she got sick right after she ran on May 17th**, which we believe affected her in that race.
- Shipped down to Florida to Saffie Joseph and **took a long time to get over illness.**
- Career best **11 Thoro-Graph** is more than enough to get her through the first-level allowance condition.
