CLIFF NOTES

- Sat way too close to a fast pace last out at Keeneland before fading to finish 8th in a race that fell apart and was won by **Common Defense**, who came back to finish 2nd, beaten just a nose, in the G2 **Red Smith** in his next start.
- 2nd place finisher **El Rezeen** was 2nd in the G2 **Bowling Green** earlier this year.
- Prior to his last start, had paired career best **6 1/2 Thoro-Graph** figures and looks like a solid horse for longer distance turf races through the winter.
- He has been super consistent with his sheet numbers through the course of the year, and he should be able to break through the **2X condition**.
