CLIFF NOTES

- He ran a sneaky good race last out, earning a career best **15 rag** and **7 3/4 Thoro-Graph**.
- The great thing about this horse is that he can **run anywhere in the country** and on **any surface**, opening up a litany of options moving forward.
- He was entered to run on **11/13 in a New York Maiden Special Weight** race on the grass, but drew the outside post position and will be **coming to the sale instead**.
- If maiden special weight company does not work out, he can win any high tag race across the country with his **improving speed figures**.
