#### THORO-GRAPH

### **CLIFF NOTES**

- He was on a real upward trajectory, in allowance races before being well beaten in the G1 Manhattan and setting the pace before finishing 4th, beaten 6 1/2 lengths in the G2 Bowling Green.
- He is unraced and has not worked since then, but he has been galloping at WinStar since the end of October after jogging for 1 month.
- He has run very well over the allweather at Gulfstream, which opens him up for some options at Turfway Park as well.
- Once he is ready to go, he would probably be a good fit on the Woodbine circuit as well.
- Career best 98 Beyer and 7+ Ragozin make him a stakes level horse at his best.
