- G2W/G1P World Record was a very solid 3-year-old, winning the G2 Amsterdam in impressive fashion.
- He returned this year as a 4-year-old with a really nice allowance win in May before added in-the-money finishes in both the G3 Aristides and G1 Bing Crosby.
- World Record ran back to his lifetime best (0³) TG and 8- Ragozin in his first start this year and has run very consistent Rags and TGs since then.
- He seems like the type of horse who could head to the middle east to contest in the sprint races at both the Saudi and Dubai carnivals.
