CLIFF NOTES

- After finishing 2nd beaten a nose in her debut, she came back to break her maiden by 2 ½ lengths while **sprinting on the dirt.**
- She was given a chance on the turf while stretching out in trip, but she did not handle that well at all.
- If going back to the races, she will probably suit a **lower level N2L claiming race sprinting** on the dirt.
- She has had some soundness issues between her last race and now and should be mainly **considered for a break at this point**, or retirement.
