RAGOZIN

THORO-GRAPH

CLIFF NOTES

- He went off form following his 4-length MdSpWt win at Laurel, finishing a well-beaten 6th in the Sir Barton S.
- FALCON JET ran well off of the layoff to kick off his 2026 season so he could benefit from some more spacing between his races.
- If you're looking to go right on, he could drop in class to a CLM-N2L race for him to be seen at his best.
- Something else to consider would be an attempt at sprinting on the turf. His lone turf race was not bad and could be worth a try over a shorter distance.
- He has been galloping since his last race and is ready to return to the worktab for new connections.
