RAGOZIN

THORO-GRAPH

CLIFF NOTES

- He broke his maiden at Santa Anita with a **93 Beyer** in his first start around 2-turns on the dirt.
- His next start around 2-turns came in a tough Derby day ALW-N1X where the race sort of fell apart. This came back as a **KEY RACE** with the **1st - 4th place finishers** have **ALL** subsequently hit the board in stakes races.
- His speed figures and sheet numbers both suggest that **two turns on the dirt** is best for him.
- He could also benefit from being gelded, but a return to the main track going around two turns will probably bring out his best.
